Stewardship

"Christians are part of this culture, influenced by it in many ways. In recent decades many Catholics in particular have entered into mainstream of American society. That has been a remarkable achievement. Often though, this process has widened the "split" between faith and life which Vatican II saw as one of the most serious errors of our age"(Gaudium et Spes. no. 43)." Thus American Catholicism itself has taken on some of the less attractive values of the secular culture."
