**FAITH FORMATION**

**Stewardship**

"We also give something of ourselves, those characteristics that make each of us distinctive as human beings. We call those our "talents" those things that we're good at or that we especially like to do. When we volunteer to help others by sharing our talents with them, we give them something far more precious than our time or money. We give them something of ourselves, an intimate sharing of "who we are" for the good of others.
